

Dear School Swimming Contact,

Here are your 2017/18 Block 1 Swimming results and the subsequent analysis of them so you can share the information with your colleagues. The service average contains the results from the schools that swam in Block 1 at 9 weeks (there are some schools who will start swimming in Block 2). The National Curriculum service average is only from the schools that are swimming in Block 1 for 9 weeks in total. You will receive another set of results at the end of the year that will include all schools data.
