Thank you so much for all the help that you have given our child this year. His progress has been fantastic, also the recommendation for the magic glasses has worked wonders!

My child has had a very supportive and encouraging school environment since starting at Nook Lane. He has made positive steps and attitude towards learning which hasn't always been easy for him. Thank you to all of the staff who have supported his ups and downs, you are amazing staff and an amazing school.

We have been very happy with the support that our child has received this year. The transition from the infant school was better than we could ever imagine. His needs were identified quickly and supported, it is a pleasure to see how well he is doing. We are very grateful for this level of support.

Our child's progress this year has been the best yet, thank you for your great support.

I honestly don't believe that school could do any more than they have to help my child. I cannot express how much we have appreciated all that school has done for my child and myself.
